

REP. JED DAVIS' LEVEL UP AT YOUR LIBRARY SUMMER READING CLUB

- 1. To be a summer reader, Kindergarten through 5th graders must read 8 books during their summer vacation. Books for local library programs are also acceptable and books over 150 pages may count for two books.
- 2. After reading the books, students should have their parents visit RepJedDavis.com and click 'Level Up at Your Library Summer Reading Program'. There, they can list how many books the student has read over the summer. Parents and students can also drop off or mail a paper form at Rep. Davis' District Office (1925 S. Bridge St., Yorkville).
- 3. All participants who read 8 books will receive a certificate celebrating their achievement and a voucher for free ice cream! Rep. Davis will also have informational brochures on state and local programs available. Submission of the Google Form or paper form is due by August 15, 2025.

Dear neighbor,

As this is an exciting time while you approach summer vacation, you may be planning ahead for the long break! I am inviting you to join my Level Up at Your Library Summer Reading Program.

Reading is a fantastic way to connect to new worlds, travel through time, and see life through someone else's eyes. You can also take these worlds with you—to the park, on vacation, and right at home. This program challenges you to read 8 books this summer, and books over 150 pages count for two books!

If you read 8 books, you will receive a certificate celebrating your achievement and a voucher for free ice cream!

I wish you well as you take exams, sign yearbooks, and wrap up the school year. Congratulations on a successful academic year and have a great summer!
